About Padmashree...

The Padmashree Charitable Trust was formed in the year 1994 by the coming together of professionals in different fields to espouse a noble cause of providing quality education. The first Institution to be started by the Trust was Padmashree Institute of Physiotherapy in the year 1996, it was the first Physiotherapy Institute to be started in Bangalore offering Bachelors in Physiotherapy course. Today Padmashree group has four colleges under its umbrella.

Five Good reasons to study at Padmashree

1. High Quality Teaching
2. Multidisciplinary Programmes
3. Ambient Facilities For Studying
4. Excellent Career Opportunities
5. The Perfect Place To Live And Study

Physiotherapy

Bachelors in Physiotherapy

Students will be trained in core skills like manual therapy, therapeutic exercise and the application of electro physical modalities. By the end of the course students will be able to identify and maximize movement potential through motion.

Duration: 4 years (Inclusive of six months of internship)

Requirements: 10+2 with Physics, Chemistry and Biology with a minimum of 45% marks in aggregate and in individual subjects.

Masters in Physiotherapy

The Master of Physiotherapy course provides a fast track learning experience for talented students who already hold a degree. The course emphasizes evidence based practice and encourages students in critical thinking.

Electives :

1. Neurological & Psychosomatic Disorders
2. Musculo-skeletal & Sports
3. Cardio-Respiratory & Intensive Care
4. Community Physiotherapy
5. Paediatric Physiotherapy

Duration: 2 years

Requirements: Bachelors in Physiotherapy with a minimum of 50% of marks.

Bsc Nursing

Bachelors in Science Nursing

A 4-year program offered at Padmashree College of Nursing, affiliated to Rajiv Gandhi University of Health Sciences, that prepare the student to practice across all health care settings. The BSN program offers students experience in major settings where health care is delivered. The Indian Nursing Council and Karnataka Nursing Council recognize this course offered at Padmashree.

Duration: 4 years Requirements: 10+2 with Physics, Chemistry & Biology with an minimum of 45% aggregate marks.
